

Tryckyta 222 x 200 mm

Tryckyta 222 x 200 mm

The image shows a technical drawing of a book cover layout. It features a central light blue rectangular area labeled 'Tryckyta 222 x 200 mm'. This central area is surrounded by a white border. The entire layout is enclosed within a green rectangular frame. Dashed green lines indicate various fold lines: a horizontal line at the top, a horizontal line at the bottom, and two vertical lines on the left and right sides. The bottom corners of the frame are marked with diagonal lines, suggesting where the cover will be folded into a book shape. At the very top center, there are faint outlines of a handle or binding element.
